Dudley Malone Tells Where Wilson Stands on Drink

Question.

missed by some of those in the party.

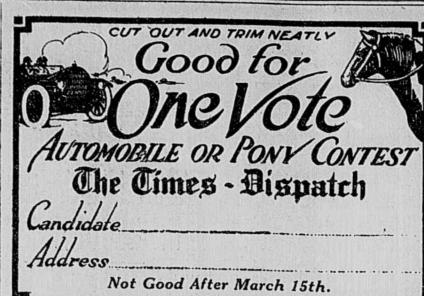

"The President-elect had gone to a cafe in the city, with some of those accompanying him on the trip. It is a well-known cafe, where prominent ones of the city go.

"There Mr. Wilson drank a high ball and a couple of glasses of beer.
"When Mr. Wilson became Governor
of New Jersey, prohibition advocates
wanted to know what he proposed doing about the liquor question. Mr. Wilson's reply to them was; 'The liquor question has no place in politics. It

Mr. Malone took this cue, to observe: Mr. Malone took this cue, to observe:
"If I have any influence with Joe
Turbulty, Mr. Wilson's secretary, when
the Governor becomes President, I am
going to see that nothing but American wine is used at the White House."
This brought out a volley of cheers
This brought out a volley of cheers
Three

too," added the Governor's intimate.
"We want to quit hypocrisy in this
drink problem. We must let men use
their own good judgment and common sense."

Why should you give death a chance to make good when you can conquer him by using one bottle of Gowan's Preparation, the one great external and proven remedy for colds, coughs, croup and Pneumonia? If inflammation is the trouble Gowan's cures. It is SURE

storm which swept Alabama, Georgia referred to in Wilde's writings and Florida to-day.

The only known fatalities occurred

won't have, either, while I am Governor of New Jersey."

Hefore Mr. Malone spoke, Walter E. Hildreth, retiring president of the Wine Growers' Association, in speaking of the extent to which American made wine is used now, adverted to President Taft as having 'used more American wine at the White House functions than any other President to they were working collapsed, and in Cranshaw County, Alabamfa, where Rufus Sumeriin was killed in a building collapse. Greatest property damage in Georgia caused by the storm was reported in the southern section of the State. At Milledgeville, Ga., many buildings were demolished age in Georgia caused by the glorm was reported in the southern section of the State. At Milledgeville, Ga., many buildings were demolished. Twelve female prisoners were injured when the State structure at that place collapsed, Forty children in the Hopewell School, near Milledgeville, had a miraculous escape when the building was blown down. Only one child was injured.

Three children were seriously injured when the Bridges School, near Cordele, Ga., was blown down. There were more than thirty in the school house when the accident occurred.

Many buildings were blown down and large damage sustained in Contral and large damage susta

This brought out a volley of cheers from the 500 diners.

Mr. Malone impressed the wine growers that, personally, he does not believe that a man's habits ought to be "legislated."

"And Mr. Wilson thinks that way. "And Mr. Wilson thinks that way. too." added the Governor's intimate.

"In this brought out a volley of cheers from the condition of the committee to fight. The frequency in the section of the committee to fight. The frequency in report will be submitted to the House late to-morrow. The seven Democrats on the committee will sign the report and the four Republicans will submit brief minority views on several points involved in the report.
